

### Alliance College of Australia

The Alliance College of Australia is the national training college of the Christian & Missionary Alliance of Australia (C&MA). We have been training workers for Christian ministry for over 40 years, and our graduates serve God throughout Australia and the world.

### Explore

God wants every generation and every culture to explore His Word, to immerse themselves in it and to discover its implications both for themselves and for their society. Are you ready to unlock the depths of Scripture?

### Equip

We explore God's Word in order to become equipped for ministry. Whether God's calling you to children's work, youth work, pastoral work or cross-cultural work being adequately equipped is essential if your ministry is to succeed. Are you prepared to equip yourself for "every good work" (2 Tim 3:17)?

### Engage

Having been equipped, God calls us to engage the world with the truth of His Gospel for as Jesus said, "No one lights a lamp and puts it under a bucket" (Mt 5:15)! Are you willing to bring God's kingdom reign and rule to every encounter you have?

# Certificate IV and Diploma in Christian Ministry & Theology

## VOCATIONAL TRAINING FOR CHRISTIAN MINISTRY

The Certificate IV in Christian Ministry & Theology (30772QLD) and the Diploma in Christian Ministry & Theology (30773QLD) are nationally accredited programs. Both courses are accredited through the Australian College of Ministries (RTO 90965).

The Certificate IV and Diploma Programs are designed to provide students with the ability to lead an effective Christian life, communicate the Gospel and serve in positions of Christian Ministry. The qualifications are competency based and ministry projects are undertaken for each subject studied. Field placement in a local church is required since many of the assessments are practical in nature. The Certificate IV is a 1 year full-time program with the Diploma taking an additional 1 year of full-time study to complete. Students who successfully complete the Diploma are eligible for an Accredited Pastor's Licence with the Christian & Missionary Alliance of Australia.
